Dear Paul:

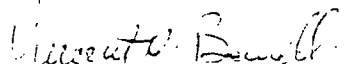

I have not forgotten the letter that you sent me on Jeffrey A. Bartlett.

The last unofficial information that I have about Jeffrey Bartlett is that all charges were dropped for lack of evidence.

Mr. Bartlett has not made any attempt to register with the Boy Scouts nor has he made any attempts to appeal his suspension.

That's the best information I have at this time. If anything happens, I'll let you know.

Very truly yours,

VINCENT N. BORRELLI

Dear Vince:

Time flies right along and we have not heard from you for awhile concerning the above named individual. You had previously indicated that charges were made because of sexual relations with a fourteen year old girl.

We would like to have the outcome of the legal action, if it has been completed. This would close our file and give us all the information which is necessary for a complete case.

Sincerely,

Paul Ernst, Director

Dear Vince:

On December 8, you sent us a note concerning the above named individual and indicated that more information would be coming. In reviewing our file at this time, I find that we have very little information, except for the statement on the Confidential Sheet which indicates that Mr. Bartlett was alleged to have had sexual relations with a fourteen year old girl.

We really would like further substantiation of this matter at this time, if we are to have a file which will enable us to refuse registration. In looking at the letter which was sent to the council, it is dated 1986 and I would hope that the legal action had all been completed before this date.

Thanks for your help in completing this file.

Sincerely,

Paul Ernst, Director

SUBJECT: JEFFREY BARLETT

Dear Vince:

I am responding concerning the letter which was sent to you by Henry Singleton, Committee Chairman of Troop 49. This letter indicated that Mr. Bartlett was going on a leave of absence as Scoutmaster and would remain in effect until his legal problems with the state were solved.

We do not know what the legal problems were and need more information concerning this matter if we are to place him on the confidential file. Please give us substantiation through legal records, newspaper clippings or statements from individuals.

We are also enclosing a Confidential Record Sheet which we would like to have completed so we may identify Mr. Bartlett should he attempt registration in some other location.

Thanks for your help in protecting the youth of America.

Dear Sir :

The committee of Troop 49 met this past Monday night, the 24th of November, with Scoutmaster Jeffrey Bartlett. Mr. Steven Dunphy of the BSA was also present. At the completion of the meeting it was agreed upon by Mr. Bartlett and the troop committee that, for the best interests of both parties, he would be as of 11/25 on a leave of absence as Scoutmaster of Troop 49. This would remain his status until his legal problems with the State of R.I. are completely resolved.

The committee also stated its complete backing and faith in favor of Mr. Bartlett in his legal problems. Several committee members stated a willingness to be character witnesses if asked. The committee also made it clear that Mr. Bartlett is welcome at all adult committee meetings. We felt he should know what is happening with his troop and also he could keep the committee abreast of his personal progress.

Sincerely,

Henry Singleton
Committee Chairman
